# PERSONAL ESSAY

**Please respond to the following question. There is no minimum or maximum length requirement for your response. The Scholarship Fund Selection Committee heavily weighs the essay in a candidate's scoring. The Committee is looking to read your essay and get to know you. Please attach additional sheets as necessary. (Typed format is preferred, but not required.)**

**Describe how any personal hardships or unusual circumstances you have had to overcome have influenced the way you show up in the world today and who you wish to be in the future.**

### **Some questions to consider when completing your essay include:**

- The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience? [Common App Example]
- Describe the world you come from and how your world has shaped your dreams and aspirations. How do you see your future, and what steps have you or do you plan to take to achieve success?
- Is there a moment that has changed you as a person. How has that moment influenced a dream or goal important to you?

**These are just suggestions. You can include one, multiple, or none of the suggested questions, they are just here to provide help and structure to the essay if needed. Feel free to showcase your story in whatever way feels most authentic to you.**
