

YLS Job Descriptions

Parking

Get ready to be the first friendly face our guests see! You'll be outside helping direct buses to the drop-off and check-in area. Dress for the weather, bring your best smile, and let's make arrivals awesome!

Hype Crew

Greet arriving students, get them hyped, and direct them inside to meet our School Ambassadors. Dress for the weather and bring the energy!

School Ambassador

Be the welcoming face for our schools! Greet each group, help get them oriented for the day, show them where to go. Make sure they get their shirts, snap their photos, and feel excited to kick things off!

T-Shirt Exchange

You're in charge of T-shirt swaps! Take a shirt, give a shirt—if the right size isn't available, hand out the next best. Schools will drop off boxes with swag bags each for Breakout Facilitators—unpack and reload as needed.

Photographer's Help

Be the magic behind the memories! You'll write school names on the whiteboard for group photos, keep the line moving, gather signs after each group, and send them off to the raffle table for more excitement. The booth is optional in the morning and open through lunch—let's keep the good vibes going!

Usher

As an usher, you'll be helping students find their seats and get comfortable for a great time ahead!

Lunch

Be the go-to guide as you lead students to their Breakout Sessions and lunch areas. After they've eaten, invite them to explore the awesome concourse activities waiting for them. You'll also help the Chick-fil-A team with handing out lunch and tidying up—teamwork makes the dream work!

Concourse Activities

Get ready to bring the energy and spark the fun as you lead awesome, hands-on activities during lunch!

Breakout Session Facilitator

Lead inspiring sessions where students from different schools come together to connect, share ideas, and kickstart amazing projects! Don't worry—everything you need, including instructions and materials, will be ready for you!

Check out our [YLS 2025 Recap Video](#)! It's the perfect hype reel to get you pumped for this year.
